

LESSON 27 – Two Ways To Live (2)

Drawing the pictures

The artwork is pretty precise. Don't make these mistakes:

- _____ the Bible references
 - It's not your opinion but God's truth
- _____ the Bible references
 - Would make it meaningless to a non-Christian
- _____
 - Don't make the world smaller than man, or man's crown the same size as God
- _____
 - All the drawings should be of similar size
- Jesus' arms _____

Pros of rote learning a Gospel outline

(Make notes as you see fit)

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Cons of rote learning a Gospel outline

(Make notes as you see fit)

Pros of Two Ways to live

Because it starts with creation, sin, and judgment, it helps people _____

- Basically you're learning a miniature outline of _____

The six points of the outline _____

As for many details, that's where you'll find the _____ helpful.

Something to learn

(First video: What's wrong with this world?)

Express yourself _____.

- E.g. "What makes *us* so self-absorbed?"
- You might be a Christian, but you too, by nature, will hate God and your neighbour (= love yourself above all others)

You can use words _____

- Self-absorbed became self-interest and then: "It's more than self-interest, it's self-government"

(Second video: It's all about living a good life)

Don't tell your story _____

- The topic of Jesus' cross came up early
- But it wasn't until the 'chuck himself in front of a bus to save a kid's life' that the right moment had come for the story.
