

## LESSON 12: CREATION (1)

### ***Creation***

1. Why are Christians nervous about evolution?

---

---

---

---

2. How truthful and useful is science?

---

---

---

---

3. Could God have created fossils? Yes / No      Would God have created fossils? Yes / No

### ***Evolution***

Evolution is \_\_\_\_\_

---

---

---

---

---

---

---

---

Cosmic evolution (from Big Bang to planet Earth)

Chemical evolution (from atoms to living organism)

Biological evolution (from single cell to man)

### ***The Origins debate***

The “logic” positions are:

Observation: all that exists \_\_\_\_\_

Thought: \_\_\_\_\_

Theory: Everything \_\_\_\_\_

Observation: all that exists \_\_\_\_\_

Thought: \_\_\_\_\_

Theory: Everything \_\_\_\_\_

### ***The spectrum for Christians***

### ***Salvation Issue?***

The term “salvation issue” is \_\_\_\_\_

Believing something that is not true is sin and all sin condemns.

A better approach is:

- Will God \_\_\_\_\_ ?
- God \_\_\_\_\_, as He is \_\_\_\_\_
- God \_\_\_\_\_ if, \_\_\_\_\_,
- I am always willing \_\_\_\_\_
- I always strive \_\_\_\_\_

Thus we can \_\_\_\_\_, but we will \_\_\_\_\_ so as to \_\_\_\_\_

### ***Using Scripture***

Beware of:

Literalism: \_\_\_\_\_

Culturalism: \_\_\_\_\_

Fundamentalism: \_\_\_\_\_

Liberalism: \_\_\_\_\_

Respect:
